**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

My options for broadband should not be limited to a near monopoly. Small providers should have a chance to offer better service for lower prices. To turn a blind eye to the consolidation of power by a few large telecom companies is a shirking of your regulatory responsibility. Mass consolidation is not a consumer benefit, but a corporate benefit, a constituency you are not intended to serve.
